Student Council Reorganized

By Kerrill Kaiser

The Student Council started off this year with a bang under a brand new plan. Special assemblies were held and officers and representatives were formally installed.

The junior and senior division councils are two separate groups this year. Instead of four class representatives there are now six. This makes a total group of eighteen representatives and four officers in each council. The Senior Division officers for 1956-1957 are: president, Eugene Welper, vice-president, Karl Fink, secretary, Diann Walker, and treasurer, Sue Yedley.

The Junior Division Council officers are: president, Tom Matevia, vice-president, Steve Swartz, secretary, Dolores Baur, and treasurer, Judy Gillette.

Regular meetings are going to be held every Wednesday for each Council. Thursday is going to be set aside for committee work. So, you see, the Student Councils are doing their best for our school. Are you helping to support them?

The Student Council has set October 19, 1956 as the date for the Home-coming game. This is the game with Wayne High School. Committees are already working on plans for the best Home-coming ever!

Concert Proceeds Benefit Band

By Bonnie Glenn

The profit from the Marine Band Concert will be used in improving the equipment used by the Ypsilanti High School Band. As a result of similar concerts sponsored by the Ypsilanti Band Parents Club the band has already bought uniforms, spats, plumes, and cross belts. An electric tuner, record player and tape recorder were also purchased from these funds. Last summer the expenses of band members attending Interlochen Music camp came from the Band Parents

Senior Division Council President Sends Greetings

On behalf of the Student Council I would like to welcome all the students and teachers, new and old, to an enjoyable school year at Y. H. S.

This year we are striving to better our school spirit and student participation. Already it is noticeable that more people are interested in the teams and school, as those who attended the Pep assembly could readily see.

Budget Tickets have been reduced to \$3.50 this year so that more might attend the school activities. Many more tickets have already been sold this year than in previous years.

Last spring at the citizenship assembly a very large majority favored I.D. cards. At the last meeting of the Council it was decided that we make available a card to every student.

Junior Division President Sends Greeting

As president of the Junior Division Student Council, I wish to welcome all new junior division students, especially the seventh graders. I hope that you are enjoying everything here at Ypsilanti High School.

Our council will do its best toward making everything as interesting and happy as we possibly can. We will do our best for you.
Tom Matevia

Drum And Bugle Corp Begins Active Year

The Ypsilanti Girls Drum and Bugle Corps started the year out with a smash performance at the football game between Ypsilanti and Lansing Eastern.

An interesting year is in store for the girls. They will march at all the home football games and two away games in Battle Creek and Ann Arbor. The Corps will do the traditional Highland Fling at the Kwianis Circus and will participate in the annual Christmas Parade.

Mr. Gant the leader of the Corps has announced there will be an opening for eleven girls after the turn of the new year.

"Sweetheart" Chosen

SUETTA HOSKINS

Every year the DeMolay boys pick a sweetheart who will represent their district in the DeMolay Sweetheart Contest.

This year as you see they have really picked a sweetheart who I am sure will give anyone rough competition, her name Suetta Hoskins.

She will compete in the District Contest and if she is successful she will compete in the State Contest.

The DeMolay Sweetheart must fulfill all of the qualifications. She must be sweet, have personality plus, have a neat appearance, and be attractive.

Suetta is eighteen and a senior, whom you never see without a smile. Her outstanding characteristics are her green eyes, brown hair and golden complexion.

School Spirit Soars

By Florence Titiriga

Budget ticket sales of this year have far surpassed those of last year. Miss Murray, advisor of the Senior Division Student Council, informs us that they have sold a grand total of 475 tickets and anticipates an even larger total since they are still selling.

Our budget ticket system is a tremendous bargain for High School Students. You may attend all home swimming meets, football games, basketball games, and two student council parties, and receive a copy of every Sem that comes out. All this for just \$3.50 the price of a budget ticket. This isn't a bargain its a steal!!

These sales show that we do have a definite interest in our school activities, and that we have good school spirit and citizenship by our attendance of them.

If you have not already purchased your budget ticket, get one today. You'll be glad you did.

Noon Time Regulations

By Janet Renton

We have a new cafeteria this year and there are a few rules that must be followed:

1. The cafeteria will be used by all students whether buying or carrying their lunch.
2. Food may not be eaten in any other part of the building.
3. Students will enter the cafeteria ONLY through the stairway directly opposite the Adams Street entrance.
4. Students will exit only by way of stairway at the north end of cafeteria.
5. Students entering will divide into two lines. The line to the left will be for students wishing to purchase hot lunches. The line to the right is for students carrying lunches. Students who wish to purchase milk and ice cream may do so from the vending machines.

Those students eating at school when finished may:

1. Go to study hall 108 for study.
2. Those who wish to use library may.

There is also a new rule that all of us students should try to uphold. Students will be permitted on first floor if they are quiet and orderly.

Students will not be permitted on second and third floors after 12:00 o'clock 4th hour and 12:45 during the 5th hour.

The UNITED STATES

MARINE BAND

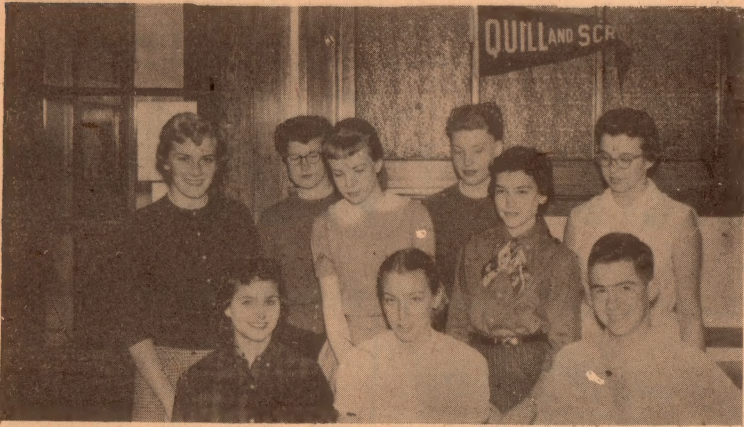

"The Presidents' Own"

The Marines are coming to Ypsilanti to entertain, not to attack!

In this unusual role for Marines, we will have the United States Marine Band here Oct. 16, to play two concerts at Pease Auditorium under the sponsorship of the Ypsilanti Band Parents Club. It's a rare musical treat that is in store for us when the nation's oldest military symphonic musical organization "takes" the stage to present a special afternoon program designed for students of all ages at 2 P. M. and an evening concert of symphonic numbers, overtures, novelty tunes and martial airs at 8:00 P. M.

Carl: "About a minute after I hit him." - - -

Fisher Body Representative Visits YHS

Gordon Crimmins, a field representative of the Fisher Body Craftman's Guild, visited Ypsi High September 20 to announce plans for the 1956-57 Fisher Body model car competition. Mr. Crimmins showed pictures of the experimental car, the Firebird II and showed how to design a car. After a movie was shown, designing kits and instructions were passed out to all boys who filled out membership cards.

Awards for the best models entered in the Guild competition are eight university scholarships for the national winners of the junior age division (12 thru 15) and Senior age division (16 thru 19). In each age group the awards will be: 1st—\$5,000 scholarship; 2nd—\$4,000; 3rd—\$3,000; 4th—\$2,000. In addition, ten \$1,000 scholarships will be awarded to boys showing exceptional designing ability.

There will be eight awards in each division for the state, with the top prize of \$150 cash also insuring the entering of the regional competition to decide national representatives from that region.

Opportunity!

We of the Sem Staff extend our welcome to the new members of our faculty and too the new students.

We at Ypsi High are lucky to be attending school here. The opportunities offered here are many. The faculty is understanding of all our problems and in the most part you will find your fellow students friendly.

As a student you choose the kind of course you want to follow. You can participate in the clubs and organizations either during school time or after school. This year our school spirit is better than it has been for the last several years, as you may have seen from the attendance at the football games, pep assemblies and from the budget ticket sales.

We feel that by both the students and faculty working together that this year will be one long remembered in the history of YHS.

By Olivia Sample

Junior and Senior Life Saving Classes began Tuesday, September 18, from 7 to 9 P. M. The qualifying tests for Junior Life Saving are: treading water for one minute, floating for one minute, doing a standing front dive, doing a surface dive, swimming 25 feet under water, and swimming ten lengths of the pool using only the four permitted strokes. The qualifying tests for the Senior Life Saving are the same with the exception that these students are expected to swim eighteen lengths of the pool using only the permitted strokes.

Miss Henry is the instructor for the Senior Life Saving and Miss Rataiczak is the instructor for the Junior Life Savers.

These classes are for the purpose of teaching the students to save someone who is in trouble in the water even though the victim may be stronger or larger than himself.

There are approximately ten in the Senior Life Saving, with the age range from sixteen on up. Twenty two are participating in the Junior Life Saving with the age range from twelve up to fifteen.

Harriers Drop Lincoln Park 23 32

Although the individual winner was from LP the teamwork of the YHS cross country squad paid off to net them a league victory over Lincoln Park Sept. 25. The Braves were led to victory by Bill Sprague who finished the two mile course in 10:32 to take second place. The reserves won their meet also as Dane Dixon finished first in 11:33 to pace the Ypsi second team.

Cross Country Team Defeated By Flint

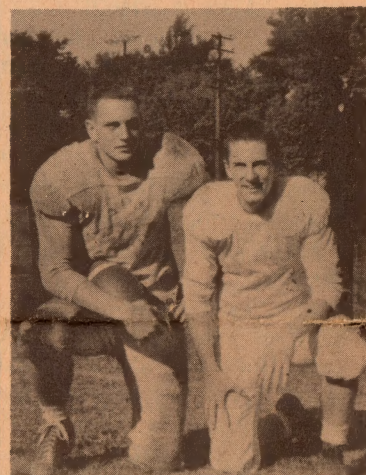

By Noel Brown

The cross country team put up a good fight but still came out on the short end of a 31-25 score. The boys would appreciate your support so why not come out and watch them? There are 21 boys out for this sport so cut out the schedule in this SEM and go out to the Cornell Road course and watch them. Their next home meet is with Dearborn tonight.

Ypsilanti won their first league game of the season Friday afternoon by trouncing Dearborn 21-0. Howard Smith gathered in the second Pioneer punt of the game and galloped 62 yards by virtue of good blocking to draw first blood for the Braves. Bill Krips converted to make the score stand at 7-0. After the kickoff proceeding the touchdown, Dearborn was stopped on their own 36. Again Smith returned the punt all the way for the second Ypsi tally. The conversion was good and the Braves led at the quarter 14-0.

Mike Stitt started the third YHS drive by intercepting an enemy pass on the Dearborn 41 and returned to the pioneer 28. Two plays later Howard Smith passed to George Beaudette for the final Purple and Gold score. The kick was good and Ypsi led at the half 21-0. Rain slowed the ball handling in the last half and neither team scored although both had opportunities.

Co Captains Of Football Team Pose For Sem

Pictured above are the captains of the YHS gridders who won their first league game against Dearborn. They are Dan Viergever and Dick Atkins. The boys ask for your support so come on out and watch the football games.

Ypsi Braves Drop Initial Contest To Eastern 13-0

On an excellent night for football, the YHS gridders played the Quakers from Lansing Eastern with the latter coming out on the long end of a 13-0 score. The game was very close except for Eastern's two scoring spurts in the 2nd and 4th quarters. The ball was advanced by both teams up and down the field with the defense stopping each team's drives. Ypsilanti had a couple of chances but each time Lansing interceptions of passes and Purple and Gold mis-cues ended their threats.

Ypsi played the game well and seem to be improving
